WE WOULD LIKE YOU TO HAVE YOUR SAY!

Constitution Sub-Committee

As you know with some minor amendments our Samaj's members adopted the new constitution at the last AGM.

During the consultation some member have informed us of further amendments to our Samaj's constitution that should be considered.

It's no small task, but one which we've decided to start working on now, so that we are able to present a new version for you, our members, for approval at the 2014 AGM.

As part of the process, we would like to invite our members to join the Constitution Sub-Committee, in order to help make the necessary changes.

I would therefore ask any interested parties to get in touch with the Samaj President, Jayesh Joshi, and express their intention to join, by 25th March 2013.

Once we have names of those interested, the management committee will then decide on the member(s) that we shall be asking to join this new sub-committee.

I hope you will seriously consider this opportunity, as it will form a vital part of the work, aims and objectives of our Samaj in future years.

Bardai Youth Project

IF YOU'RE 16-35 YEARS OLD, OR WANT TO HELP OUR YOUNG MEMBERS PROSPER, READ ON!

We would love for all young members (particularly 16-35 year olds) to get actively involved in our youth strategy and get on board with setting up projects, organising events, or activities that will benefit our youngsters.

Events for Young Members

We're also keen on getting together for more social activities, events and trips organised by young members FOR our young members. All ideas most welcome.

Dedicated Social Network

A dedicated twitter and facebook account for young members to chat informally, network, and get the latest news and information on Samaj and outside activities. Members can also contact us

via these sites with any ideas, suggestions or comments – without the red tape and bureaucracy!

Work Experience

Fancy work experience opportunities organised by the Samaj? We're starting a project to place 15-18 year olds in various short-term placements with entrepreneurs and self-employed members of our Samaj. The scheme will help youngsters gain valuable work experience and provide core skills in readiness for future employment.

Samaj Mentors

Opportunity for college/undergraduates to be given Samaj mentors within their area of career interest. If you're hoping

to become a lawyer, doctor, dentist, designer, journalist, or even starting your own business, we'd pair you up with an experienced professional from that field to provide free guidance, advice and support.

If you're a business owner, self-employed or a professional wanting to offer your support, expertise and guidance to our youngsters, please get in touch.
