INDIAN QUIZ & KARAOKE NIGHT

in August. Get those brain cells active in preparation for our forthcoming quiz night. And for those of you who are singers rather than thinkers, you can show off your musical talents with Karaoke! Or you're more than welcome to come, watch and be entertained while enjoying some delicious food! To register your quiz team, or obtain more details contact Sumeer on secretary@bardaionline.com

SUMMER BBQ -

August (date to be confirmed). Join us for an informal BBQ and picnic to celebrate nothing more than a Summer's day! Location hasn't been confirmed, but we're hoping it'll be close to Leicester.

NAVRATRI -

October 5th to October 13th, plus Sharad Poonam. Details to follow.

DIWALI DINNER & DANCE -

Saturday 9th November 2013. What better way to celebrate one of our most important dates than spending an evening full of food, fun and great music. As there'll be no AGM this year, the event will be filled with fantastic entertainment.

CHRISTMAS PARTY & DINNER & DANCE -

After last year's success, we'll be holding another Christmas party, for all ages. There'll be lots of entertainment for the kids, and, when the sun goes down, the volume of the music goes up, as we celebrate into the night with a dinner and dance.

Youth Plan

Thank you for all your feedback so far on our drive to get more of our youngsters to take part in Samaj activities. We're still keen to hear from anyone wanting to take advantage of our mentorship and work experience opportunities. And if you're

a business owner, we'd love to talk to you too, about how YOU can help our younger generation.

Bardai Buddies - Your best friend in the Samaj!

In the coming weeks, you might be getting a call from one of our committee members. Please say hello and be nice, as the caller will be your 'Bardai Buddy' (or in old speak, your community representative!). Your buddy is your first point of contact for event tickets, Samaj information, comments, suggestions, complaints (and compliments!). Your Buddy will also call you to inform you of any important matters, or collate details that might help us to deliver a better and more focused service for our members.

Your buddy will be calling to get some extra details from you which will help shape the services that the Samaj provides. This would be information such as your occupation, the number of children or young people in your household who may be interested in our youth activities, as well as their contact details. Of course it's entirely up to you to decide if you'd like to provide us with the details, but any help you can give will certainly help the Samaj in the long term and hopefully give us a better idea as to how we can focus our efforts according to who our members are.

Newsletter Content

Please let us know if you have a story or news item that you'd like published in the newsletter. It may be someone's achievement, graduation, marriage, death or birth announcement, or simply recognising an individual's contribution to his or her company, industry or the community.

We want this newsletter to be informative as well as entertaining so any ideas on content is most welcome. We'd even welcome members to send in their favourite jokes, poems, quotes, and interesting articles. So get in touch!

Help shape the future of your Samaj!!

If so, we'd love to hear from you. The Samaj Committee is a great opportunity to make a valuable contribution to the management of the Samaj. It's a fantastic developmental opportunity for those wishing to enhance their skills in teamwork, leadership, project management, etc. At the same time, we'd love to have onboard your skills, strengths and talents!

There is currently one vacancies in the management committee. If you are interested in joining, or simply finding out a bit more about what's involved, call Sumeer on secretary@bardaionline.com email

Sponsorship

The committee has undertaken a commitment to doing more events and working on creating a process of involving members in those events. To achieve this we require **YOUR** assistance to help in making this possible. This can be in the form of sponsorships, advertisements and general donations.

Corporate sponsorship can be in the form of advertising, displaying banners and logos at events and on printed material as well as on the SBBS website, which is a perfect way to engage members and businesses.

The advert will be our way of publicly saying thank you for your immense support and contribution to Samaj activities.

Please contact Girish Naker (sales@evolutiondc.co.uk) or Sumeer Kalyani (secretary@bardaionline.com) to discuss advertising opportunities.
